

Roomfe

The background image is a dark, low-key photograph of a university campus. It features several large, leafless trees in the foreground and middle ground, with their intricate branch structures silhouetted against a dark sky. In the background, there are multi-story brick buildings, likely dormitories or academic halls, with some windows visible. A paved path winds through a grassy area in the foreground. The overall mood is quiet and academic.

Roomie is a Web Application that
helps students find roommates.

The background image is a dark, low-key photograph of a university campus. It features large, leafless trees in the foreground and midground, with their intricate branch structures silhouetted against a dark sky. In the background, several multi-story brick buildings with arched windows and doorways are visible. A paved walkway leads from the bottom left towards the center of the image. The overall mood is quiet and academic.

OUR ASK:
WE'RE LOOKING FOR A GROUP
OF DEVELOPERS TO HELP US
BUILD THIS PRODUCT

A dark, atmospheric photograph of a university campus. In the background, there are large, multi-story brick buildings. The foreground and middle ground are filled with numerous trees, some of which have white blossoms, suggesting a spring setting. A paved path winds through a green lawn. The overall lighting is dim, with a deep blue sky, creating a serene and academic atmosphere.
